**Corps 101 & Environmental Compliance - Workshop Session I**

Presenters: Dave Carney, Falcolm Hull, & Mark Wingate

The purpose of this workshop is to provide sponsors, active and potential with a better understanding of:

- 1) The Corps' organization and authorities,
- 2) The scope of the Corps civil works missions and programs,
- 3) The project development process by which projects are planned, designed, constructed, and maintained, and
- 4) The Project Delivery Team (PDT), which the sponsor serves an active role.

Specifically, this workshop will address the partnership and eligible sponsors, the Corps' organizational structure, Corps assistance to sponsors, project development and timeline, and funding opportunities.
